### Service Pre-Requisites

Base platforms and software add-on's require the purchase of a separate service part number (T003-SVP) to receive support. The term of each service is one year from the date of purchase.

### Professional Services Summary

All installation/implementation SKU's will be delivered during standard hours (8:00am - 6:00pm Pacific Time). All installation/implementation SKU's will be delivered remotely to a single location. Customer service inquiries should be sent to [support@sunspec.org](mailto:support@sunspec.org).

### License Delivery and Payment Terms

All products are delivered electronically and are provided AS IS. Software products are licensed for a single computer and for a single user. Complete license terms are attached with the software.

### Payment Instructions

For domestic U.S. customers, SunSpec accepts purchase orders, checks, credit cards, Paypal, and wire transfers.

For non-domestic customers, SunSpec accepts wire transfers only. Wiring instructions are below:
